**Vision and Values Statement for MICAH's Religious Leaders' Caucus:**

We are MICAH's Religious Leaders' Caucus. We come together to live out values of trust, passion, wisdom and radical inclusion as a community striving for justice by building power and developing leaders. We claim a visionary role within MICAH as we pray, reflect, act and break bread together.

MICAH's Religious Leaders' Caucus is grounded in elements of:

- Connecting our passion for justice to how we live and lead
- Acting publicly together
- Leading our congregations, synagogues and mosques in the work of organizing
- Sharing a joint spiritual journey and
- Enhancing the quality and depth of our diversity

Grounded in faith and connected by intertwined destinies, the relationships we build ally us for hope as we "do justice, love kindness and walk humbly with our God" (Micah 6:8).
